SiEntries Cookie Policy

(Last Updated 11/01/2024)

Introduction

This Cookies Policy is designed to help you understand how SiEntries use cookies on our website. By continuing to use our website, you agree to the use of cookies as described in this policy.

What are Cookies?

Cookies are small text files that are stored on your computer or device when you visit a website. They help the website recognize your device and remember certain information about your visit.

Further Information

If you have any questions or comments about our **Cookie Policy** please send them to admin@sientries.co.uk.

For further information in relation to how we process any personal data we collect from you, or that you provide to us, please refer to our Privacy Policy. Please also refer to our Website Terms of Use.

Types of Cookies We Use

SiEntries use two types of cookies on our website:

- **Session cookies:** These are temporary cookies that are essential for the proper functioning of our website. They are deleted from your device when you close your browser.
- **Functional cookies:** These cookies enable our website to remember your preferences and provide enhanced features. They do not track your browsing activity beyond our website.

Session Information

When you access SiEntries a **session cookie** is set to record the fact that you have successfully connected to the database. No personal information is stored in this cookie.

As this is a **session cookie** it is automatically deleted when you close your browser.

This cookie is essential for us to provide our online entries services and without it you will not be able to register for or use our services.

Login Options

If you tick the **Keep Me Logged In** option when you log into or register for SiEntries a **functional cookie** is set to hold your login details and password for the next time you try and access the system.

As this is a **functional cookie** it will not be deleted when you close your browser.

SiEntries Online Entries System

If you do not wish this cookie to be saved then don't tick the **Keep Me Logged In** option. If you have already set this option but now want to remove the cookie then please **log out of SiEntries**, as this will delete this cookie.

Events List Filter Options

When you access the SiEntries Events List / Map page and change any event filter options and tick the **Save Filter to My Profile** option a functional cookie is set to record your selected filter options. No personal information is stored in this cookie.

As this is a functional cookie it will not be deleted when you close your browser.

If you do not wish this cookie to be saved then please do not tick the **Save Filter to My Profile** option. If you have already set this option but now want to remove the cookie then please go to the **Events List** page where you can unselect the option and click on the **Reset Filter** button, as this will delete this cookie.

Tracking Cookies

We do not use tracking cookies or allow third-party cookies on our website. We prioritize your privacy and do not engage in the collection of personal information for targeted advertising or other tracking purposes.
